Certain rules to remember before any Add-On Purchase:

- 1] If you choose to purchase a 3-Catechetical Area Package, you need to choose 3 unit lessons to complete the package. Likewise, if you choose to buy a 6-Catechetical Area Package, you need to choose 6 unit lessons to complete the package. You can purchase as many as 24 sets of unit lessons.
- 2] Per Package, you can only choose one item from every Catechetical Area, except for Mission Adventures, where you are required to select five tasks. It's the same with Church Life Action; you are required to choose five tasks. These five tasks in Mission Adventures or Church Life Action Plans are priced as one unit lesson or item. In the Form above, the buyer lists down and lumps together the MA and/or CL Codes, separated by a comma. If you want to use MA or CL, it's recommended to place these tasks at the end of each set.
- 3] Mini-Games are not stand-alone games. A 3- or 6-Area Story Lesson cannot begin with a Mini-Game. No two mini-games can be set next to each other. Mini-Games need to be paired next to Bible Hub Videos, Kateketika Videos, Godly Teaching lessons and/or Saints & Discoveries lessons. The mini-games cannot be placed next to Prayer and Praise materials as well as Mission Adventures and Church Life tasks. It is not possible to select purely mini-game materials to populate the 3-Area Story lesson or a 6-Area Story lesson.
- 4] The Saints and Discoveries lessons are stand-alone lessons. You can choose either one for a set of lessons. Important note: in case you want to choose both, you cannot separate them. They have to be placed next to each other.
